2. Any cases that were directly filed in the MDL are classified as "Direct Filed." All other cases are classified as "CTO" along with a citation to the relevant Conditional Transfer Orders transferring these cases into the MDL.

3. Pursuant to this Court's Direct Filing Order "any Plaintiff who files a complaint directly in this Court ... shall designate in the Master Short Form Complaint the federal district in which the complaint should be deemed to have otherwise been originally filed absent this Direct Filing Order (hereinafter, the 'Original District'). ECF No. 74 at 2. The "Original District" column is therefore populated only for Plaintiffs who filed directly in the MDL. Certain of those Plaintiffs either did not identify an "Original District" or identified more than one "Original District." These Plaintiffs have been identified with an asterisk (*). For purposes of this analysis only and reserving all rights, the TPG Defendants assume the "Original District" would be the state the Plaintiff resided in at the time of filing.

4. The "Implant Surgery State" column is populated only for Plaintiffs who filed in forums where the situs of injury may be relevant for the choice-of-law analysis. See Rev'd App'x A (identifying such states). Certain Plaintiffs did not indicate the location of the implant surgery either as directed in the Short Form Complaint or in the complaint they filed in the transferor forum. These Plaintiffs have been identified with a double asterisk (**) and for purposes of this analysis only and reserving all rights, the TPG Defendants assume the implant surgery location is the state these Plaintiffs resided in at the time of filing.

5. Plaintiffs highlighted in light red were included in Appendix A served with TPG Defendants' opening brief on June 9, 2023, but are no longer subject to TPG's Motion to Dismiss because they do not have pending claims against TPG, including because certain of these Plaintiffs have already voluntarily dismissed their claims against the TPG Defendants. These cases have been excluded from TPG's summary case count. See *infra* at 1. Certain additional Plaintiffs either (1) do not properly name the TPG Defendant(s) in their complaints but have executed a summons to the TPG Defendant(s) (e.g., Plaintiffs Andrew & Donna Kraus) or (2) name the TPG Defendant(s) in their complaints but have not properly executed a summons to the TPG Defendant(s) (e.g., Plaintiff Gregory Rhodes). While TPG maintains that these pleadings are deficient, TPG includes them in this Appendix for the Court's reference. These cases have been included in TPG's summary case count and are not highlighted in light red. See *id.*

6. For the Plaintiff without a "Transfer Date" listed, that Plaintiff did not yet have an associated case on PACER related to their MDL Case No. as of July 24, 2023.
